In the Spotlight

Robert Payne

Mr. Robert Payne is a native of Ruleville, Mississippi and is the father of four children; Marcus, Marquies, Robert Jr., and Tina. He is a faithful member of New Jerusalem Church in Jackson, Mississippi. Mr. Payne serves as the personal trainer for the Tougaloo College Fitness Center. He is also a senior majoring in Sociology at the college. Mr. Payne is a certified life guard and professional first aide administrator through the American Red Cross and a certified Water Aerobics instructor with the United States Water Fitness Association. He is completing his training requirements with the Arthritis aquatics and land certification at the University of MS Medical Center and by the end of 2006, Mr. Payne will have completed additional certifications in fitness training and aerobics from the Fitness Association of America. In his spare time, he enjoys working out, reading, and fishing.

“Our center is small compared to many, but the fact that we take a special interest in our patrons makes the difference. Church groups and other community organizations are joining our center. I firmly believe that wellness is the integration of body, mind and spirit—the appreciation that everything we do, think, feel, and believe has an impact on our state of health.” says Payne.

Much credit is given to Mr. Payne for his dedication and sincere interest to the patrons of the Fitness Center and his ability to design a personalized weight loss program is a plus for the patrons.
