To whom it may concern,

Career Services is a crucial and direct link to college students, which is why I am sending you the enclosed information about summer ministry opportunities at Riverwoods Christian Center. Riverwoods provides not only the opportunity for students to earn a paycheck, but also the chance to serve at-risk youth in the unique context of summer camp.

Riverwoods serves youth from under-resourced communities in the Fox River Valley, 40 miles west of Chicago. In 2010 our summer residential summer camp will welcome more than 1,100 youth from these communities to our 85-acre campus on the Fox River in St. Charles, Illinois for a time of canoeing, hiking, biking, Bible studies, games, camping and much more. Riverwoods is looking for committed followers of Christ to serve these youth during their camp experience.

I know you are committed to connecting students with experiences that will challenge them to use the skills they learn in the classroom to impact the world around them. As you talk with students looking for such an experience, I encourage you to connect them with Riverwoods. Our summer programs feature many different positions that meet the individual needs, interests and gifts of students. We are also able to help students meet internship or field experience requirements during a summer at Riverwoods.

A summer at Riverwoods will not only challenge students to put their knowledge into practice, but will also help them form meaningful relationships with supervisors, fellow staff, teens and children. And perhaps most importantly, a summer at Riverwoods will provide an incredible opportunity for students to grow in their walk with Christ and come to a greater understanding of how He has made them to serve His kingdom.

I invite you to find out more about what God is doing through Riverwoods by visiting our website at www.RiverwoodsChristianCenter.org. Please read through the enclosed brochures and make them available to students looking for an incredible summer of learning, growth and service for the kingdom of God. I also ask that you display the enclosed flyer to make these fantastic opportunities visible to students. You are welcome to make copies of the enclosed materials.
