

# EMPLOYMENT OPPORTUNITY (MALES)

## *2010 SUMMER CAREER ADVANCEMENT OPPORTUNITY*

Are you or do you know a male between the ages of 18 and 34, interested in advancing your career in the marketing, advertising, media or entertainment industry? Interested in applying creative thinking with limited boundaries? Or looking for a summer internship experience to gain experience and exposure? The iCR8 Summer Bootcamp is looking for YOU! Applications are now available for The Marcus Graham Project's summer bootcamp program, entitled iCR8. Applications Due February 12, 2010.

The Marcus Graham Project, a talent incubator and network of advertising, media, marketing & entertainment professionals is looking for a dynamic group of twelve aspiring industry professionals. Throughout the intense summer long program inductees into the program will work on the development of a national awareness campaign addressing key social issues.

Candidates must possess a general knowledge of internet/mainstream marketing, as well as exhibit creative spirit and strong communication/organizational skills. The types of participants that we are looking for include: social media, marketing, graphic design, copywriting, video/audio production, video editing, events/promotions, research, and public relations. You must be willing to learn an extreme amount of valuable information in a short period of time.

Ideal candidates should seek to build resume experience, while gaining invaluable networking and knowledge about the industry. If you are interested in this opportunity, please download the application packet from our website found at <http://www.facebook.com/l/57010;www.marcusgrahamproject.org> under the Bootcamp section found in the Programs tab. If you have any questions please contact us at: [info@marcusgrahamproject.org](mailto:info@marcusgrahamproject.org) or call 214-810-6475.

Applications must be postmarked by Feb. 12, 2010 and must be mailed to: The Marcus Graham Project 1409 S. Lamar #111 Dallas, TX 75215. Also applicants must be registered on our social networking site found at <http://www.facebook.com/l/57010;marcusgrahamproject.ning.com> where they will be able to connect with over 160 working professionals in the industry.
