DEPARTMENT OF CAMPUS SECURITY

Where History Meets the Future

Are You Prepared?

The College is committed to the safety and security of all members of the campus community. In times of emergency, the College will provide appropriate campus-wide response to assure life safety and minimize losses. In addition, the community emergency services are committed to serving us to their fullest potential. So, when in doubt as to the severity of an incident, call 911 and then Campus Security at 7857. The College will provide instructions about specific situations and issues such as taking shelter inside campus buildings or evacuating. Students, faculty, and staff can prepare for emergencies by following these guidelines.

This guide is intended to help staff, faculty, and students respond to emergency situations, which may occur on the campus of Tougaloo College. Such emergencies can occur at any time and without warning, but their effects can be minimized if proper emergency procedures are followed.

Evacuation Procedures

- Evacuate building using the nearest exit; or use an alternate exit if the nearest exit is blocked or unsafe.
- Secure any hazardous materials or equipment before leaving.
- Provide assistance to persons with disabilities or special needs.
- Evacuate at least 250 feet from buildings.
- Designate an evacuation assembly point.

DO NOT re-enter the building until an all clear is given by Campus Security.
