CRIME INCIDENT REPORT FORM

This form should be completed by those individuals identified as "campus security authorities" who are required to report information they receive about specified crimes (murder, manslaughter, burglary, auto theft, aggravated assault, arson, forcible and non-forcible sexual assaults) pursuant to the federal Clery Act. The information collected from these forms will be used to prepare a compilation of statistical crime information that will be included in the campus' Annual Security Report.

It is the policy of Tougaloo College to ensure victims and witnesses to a crime are aware of their right to report criminal acts to any law enforcement agency. College policy violations should be reported to the Department of Public Safety. However, if a reporting person requests anonymity, this request must be honored to the extent permitted by law. Accordingly, no information should be included on this form that would personally identify the victim without his/her consent.

Tougaloo College Department of Public Safety will use this form to determine the category of crime and location under which the crime should be reported according to the requirements of the Clery Act.
