WHAT IS FOCUS-2?

FOCUS-2 is an online, self-guided program that will help you explore and make decisions about your career goals and your major areas of study.

Who is responsible for planning your career?

***You* are responsible for making your education and career decisions, managing your career and controlling your own destiny.**

How will your career affect your life?

Your career affects your future lifestyle and feelings of self-fulfillment as well as where & how you live, your financial security, your leisure time activities, etc.

The FOCUS-2 PROCESS

Steps Involved in Career & Education Decision Making

Self-Assessment of Your Personal Attributes:
Interests, Values, Personality, Skills, Leisure Activities

Your Assessment Results are Matched to Occupations

**The Major Areas of Study Supporting your
Preferred Occupations are Identified**

**You analyze and compare the pros and cons of the options
that appeal to you, make choices and
map out goals and action plans**

Benefits of Career Planning

(Reference: America's Career Research Network Association-US Dept of Education.)

While In College:
