Education is not the learning of
facts, but the training of the
mind to think.
~Albert Einstein

MY EDUCATION TIMELINE

WHERE I WENT TO SCHOOL:

- Cool Valley Elementary
- Rockwood South Middle School
- Hazelwood West High School

PROFESSIONAL EXPERIENCE:

- I began my teaching career at Forest Hill High School where I taught Mississippi Studies and World Geography for five years. I also served as sponsor of the Patriots drill team and color guard for two years. Most recently, I taught sixth grade Social Studies at Byram Middle School.

ABOUT ME

I am married with three children who add tons of fun and adventure to life! When we have free time, we love to read, watch movies, and travel. I am also a licensed financial coach who enjoys helping families budget and reach their financial goals.

I am so excited to be teaching your child this year! I look forward to an exciting year. It is my goal to provide all of my students with an engaging, educationally challenging, and fun experience in my classroom.
