ABOUT ME

Anyone who knows me will tell you that my first love is teaching. I live for my students and creating the highest quality and most engaging educational opportunities possible. I enjoy studying the field of education and working towards equitable educational opportunities for ALL of our students.

In my free time, I enjoy reading and going to a wide variety of events around Jackson. I am a member of Mayor Lumumba's Education Transition Committee and try to stay actively involved in the community to bring awareness to the excellence of, as well as the needs of, Jackson Public Schools.

I look forward to working with each and every one of you this year! Our new school is going to be an amazing adventure full of learning and fun.
