ABOUT ME

It is truly the most wonderful time of the year as we begin the upcoming school year! I am pleased to introduce myself as your scholar's counselor.

Although I loved working in the classroom as a teacher the past five years, I am most passionate about talking to, connecting with, and helping young people. I am committed to ensuring the success of all scholars and providing social-emotional support. When I am not working, I enjoy spending time with family, shopping, and traveling.

In my role at the ECHS, it is my duty to help all scholars develop and enhance their academic, social, career, and personal strengths in order to become productive, caring citizens who are prepared to succeed in a global society. I consider myself lucky to be able to work with each scholar, meet parents, collaborate with teachers and staff, and consult with other organizations to help meet the needs of the scholars at the ECHS.

I look forward to meeting and working with all the parents/guardians and getting to know your scholar over the course of this school year. Welcome!
