

UNCF + Dell launches a 2017 Dell Corporate Scholars Program

Dear Colleague,

I am reaching out to you make you aware of the **2017 UNCF/Dell Corporate Scholars Program**. I am excited inform you that the **2017 UNCF/Dell Corporate Scholars Program** online interest form is now open. We are seeking current sophomores who want to get a jump on their summer 2017 plans.

The 2017 UNCF/Dell Corporate Scholars Program, a collaboration of Dell and UNCF, will provide **scholarships** up to \$4,500 (based on need) + **paid internship opportunities** + **housing** for selected students based on the eligibility requirements for the 2017-2018 academic year.

I would like to solicit your assistance in sharing this opportunity with your campus community.

Eligibility Criteria

- Students must possess a minimum cumulative grade point average of 3.0 on a 4.0 scale.
- Students must be a minority student enrolled full time at a U.S. located accredited four-year institution who will have junior standing for summer 2017. (*We are seeking current sophomores.*)
- Students must major or have an academic focus in **Supply Chain Management, Engineering, Electrical Engineering, Computer Science** or **Information Technology**.
- Students must possess a demonstrated unmet financial need as verified by their institution/college (for scholarship award).

Interested students should visit www.uncf.org/Dell to learn more about this opportunity.
