

FedEx 2014 Summer Internships

Overview:

Each day, FedEx delivers a wide array of transportation, e-commerce, and business solutions to millions of customers in more than 220 countries and territories around the globe. In order to deliver on the promise to "make every FedEx experience outstanding", it is crucial to provide top-notch services and bring together more than 300,000 of the best people globally available.

Want a career that can go the distance? Recognized as a well-established company that fosters growth and values people regardless of background, FedEx was included on the following lists in 2013:

- FORTUNE Magazine's 100 Best Companies to Work For
- CNN Money's Global 500
- Reputation Institute: No. 12 among "America's Most -Reputable Companies"
- FORTUNE Magazine: No. 10 among "World's Most Admired Companies"

After 40 years of doing business, FedEx recognizes that great people are still at the heart of our success and true success means taking care of the people that drive our business results. By living out a company-wide foundation of people-service-profit (PSP), the right people deliver great service and this produces better profits.

This is all a result of having a top-performing team with an 'Absolutely, Positively' spirit, ready to deliver on the FedEx promise of quality.

If you're looking to connect people with possibilities, all while receiving terrific benefits, competitive pay and a ton of developmental opportunity, don't wait any longer!
