Public Employees’ Retirement System of Mississippi (PERS)

Video Production Intern

The Communications Department at the Public Employees’ Retirement System of Mississippi (PERS) is seeking a video production intern to work at the agency’s office in downtown Jackson during the spring semester of 2016. The intern will collaborate with seasoned staff to write, storyboard, film, edit, and produce original educational videos for viewing by the general public from the agency’s website. PERS will work with participating colleges and universities to meet course credit requirements, if applicable through the school. Details about responsibilities and qualifications are available on the PERS website and should be carefully considered in the submitted application.

Position: Video Production Intern
Department: Communications
Salary: $12.00/hour (no benefits)
Part Time: 20 to 39 hours a week (depending on university or college requirements)
Supervisor: Shelley Powers, Communications Director, spowers@pers.ms.gov, 601.359.9431

*State agency hiring protocol applies. All applicants must apply using the Mississippi State Personnel Board application system on or before 9/30/2015. Supplemental information may be provided electronically to the Communications Director, Shelley Powers.
