

TOUGALOO COLLEGE TOUGALOO, MISSISSIPPI 39174

NOTICE OF JOB OPENING

Tenure-Track Assistant Professor of Biology

Position Summary: Tougaloo College, a historically black college, invites applications for a tenure-track Assistant Professor position in Biology to begin in January 2024.

Duties: The candidate is expected to teach Biology courses (lectures and laboratories) offered by the department, including, but not limited to, General Biology, Evolution, Ecology, and Environmental Science. The candidate will be expected to provide academic advising and mentoring to undergraduate students. Other responsibilities include participation in departmental and divisional activities and service to the College and community.

Required Knowledge, Skills, and Abilities: Doctoral degree in Biology with expertise in Evolutionary Biology, Environmental Science, or a closely related biology field. Preferred Qualifications: Teaching, mentoring, and advising experience of underrepresented minority undergraduates and a strong interest in developing biomedical research projects. Postdoctoral research experience is preferred. Start-up funds, release time, and research support will be available in the fall of 2024 from Mississippi INBRE, which supports a network of Mississippi colleges and universities dedicated to improving biomedical research and infrastructure in the state. The application should include a CV, a statement of teaching philosophy, the unofficial transcript for the university/college awarding the highest degree, a 2–3-page research plan, and a list of three references with titles, addresses, telephone numbers, and email addresses.

Date of Position Opening:	11/10/2023
