

# COMMUNITY SERVICE PROJECT PROPOSAL

Students must submit a proposal before starting their community service project. The SASC must provide you with authorization to begin. Once the project has been approved, the SASC will forward an official notice to you. You, your department chair and academic advisor will receive a copy of the transmittal for your records.

Agency Representative's Email	Phone Number	Fax Number	

Proposed Project Synopsis (Please attach a detailed project description and agreement)

CS SLO: Students will be able to demonstrate that they understand complex social issues relevant to the community organization and provide leadership to create solutions. We are in concurrence with the proposed project and agree that it meets the student learning outcome for community service.
