Dear Prospective International Student,

We are delighted that you are interested in Tougaloo College. One of the most important decisions you will make in life is deciding which college to attend. Tougaloo College understands that international students bring a valuable cultural diversity to its classrooms and campus. The cost to attend Tougaloo College is affordable because international students do not pay out-of-state fees, which are sometimes double the amount paid by residential students at many institutions. Scholarships for international students are not as abundant or as far reaching, as those for domestic students, and those that are available are very competitive. Tougaloo College provides an affordable education for all, regardless of race, religion, sex, national origin or ethnic background.

To learn more about the admissions process and to download the admission application and other important documents, visit our website at https://www.tougaloo.edu/academics/programs/center-international-studies.

As an international student, you will need the Form I-20 to apply for an F-1 student visa at the American Consulate/Embassy or for F-1 student status in the United States. Before we can give you the Form I-20, you must show that you can support yourself financially in the United States. To be considered for admission, the required documents must be submitted:

1. Application for Admission to Tougaloo College
2. $25 non-refundable application fee
3. Application for the Certificate of Eligibility (Form I-20)
4. Declaration and Certificate of Finances
5. Affidavit of Support
6. Evidence of TOEFL score (500 paper, 173 computer, and 60 iBT) or IELTS score (5.0 minimum)
7. Official copies of high school and/or college transcripts
8. Completed medical forms
9. Updated copy of shot records

Upon receipt of the required documents outlined above, Tougaloo College will review and evaluate your information for authenticity. When admission is granted, an acceptance letter, Form I-20 and other important information will be sent through regular postal service. Mail all documents to: Center for International Studies & Global Change, Tougaloo College, Post Office Box 71, Tougaloo, MS 39174. Please note that we are unable to make international telephone calls but can communicate with you via email if an email address is provided.

If you have questions, please contact Dr. Loye Ashton, Director of the Center for International Studies and Global Change, at 601-977-7944 or lashton@tougaloo.edu. You may also contact Diedra Winters, Study Abroad Coordinator, at 601-977-7916 or dwinters@tougaloo.edu.
