TRANSCRIPTS: Please send a copy of your current transcript to the Honors Program. An unofficial copy is sufficient for this application. You must still send an official transcript sent to admissions for your regular Tougaloo College application.

ESSAY: Essay: In 500 to 600 words, write about **one** of the topics below. An essay can tell us things about you beyond your academic background of grades, test scores, and courses taken in high school and/or college. Please consider this when choosing your essay prompt.

1) Write about an experience or social/political issue that has piqued your curiosity. What questions has this subject inspired you to answer? What actions have you taken to become more knowledgeable about the subject? What strategies have you used to address answers that you find unsatisfying?

2) Writing, painting, performing, debating, and designing solutions to complex equations are only a few of the media through which people convey their thoughts, emotions, and aspirations. How do

you express the inner workings of your mind to the larger world? How does the world around you respond?
