2019-2020 Child Support Dependent Verification Worksheet
Federal Aid Programs

Your financial aid application has been chosen for a review process called "Verification." Child Support Verification is a process by which Tougaloo College compares the information on your application with documentation from you and/or your parent stating that someone in your household pays child support. The law says that our institution has a right to ask for this information before we award you Federal aid. If there are differences in the application and the financial documents, then an electronic correction is made to your application.

What you should do for verification?
1. Complete and **sign** this verification worksheet.
2. Submit the information to the financial aid office as soon as possible.
3. Once the financial aid office has reviewed the document, any corrections will be made by the financial aid office.
4. Once verification is completed, then you can be awarded federal aid.
