Dr. Rosie Harper, Director of Counseling Services/ADA Coordinator (601) 977-7818

MESSAGE FROM THE DEAN OF STUDENTS

Greeting from the Office of Student Affairs. As you peruse this Fall 2017 edition of the Student Affairs' newsletter, I hope it gives you a bird's-eye view of our goal to provide you with highlights of the innovative co-curricular programs and experiences we provide for the campus community to enrich the quality of student life. It is our hope that you take advantage of the activities that we have strategically planned by our directors and student leaders (Student Government Association, Resident Assistants, and various clubs and organizations).

We solicit your input in creating a comprehensive student-centered campus that will aid you in your personal and professional growth and development. You have an opportunity to provide your feedback by completing surveys of the major programs and services. We value your review and assessment in order to improve our service delivery. As a reminder, the **2017-19 Student Handbook** is online, and we ask that students complete the certification acknowledgement and become familiar with its contents. Our doors are open and we look forward to working with you this academic year. Let's make it a productive year!

Gladys Jones

RESIDENTIAL LIFE WEEK

Let's Rejoice in the Lord * LaserWerk * Hall vs Hall Stroll Off
WET N Wild Dodgeball * Unrestricted Possibilities
Block & Foam Party

ANNUAL FEED THE HUNGRY CAMPAIGN

For several years, student organizations and clubs have partnered with the College Congregation, Union United Church of Christ to collect canned and nonperishables food items in support of the Annual Feed the Hungry Campaign. The collected food is donated equally to Stew Pot Community Services and Gateway Mission, two local organizations that work 365 days a year to serve hot meals to families and the homeless. The food collected this year will be delivered on Saturday, December 9, 2017. The Student Government Association, Zeta Phi Beta Sorority, Inc., Nu Beta Chapter, and Phi Beta Sigma Fraternity, Inc., Beta Rho Chapter are student organizations working to ensure the success of the 2017 campaign.

MAKING STRIDES AGAINST BREAST CANCER WALK

The American Cancer Society's "Making Strides Against Breast Cancer" raises awareness and funds to save lives from breast cancer. This event is a noncompetitive 3 mile walk that brings people together to make a difference for everyone who has been touched by breast cancer. Staff and students joined the effort.

MEET THE
