AUGUST 2015 VOLUME I

MESSAGE FROM THE VICE PRESIDENT

On behalf of the dedicated staff of the Division of Student Affairs, I welcome you to the 2015-16 academic year. It is our desire to make your out of classroom experience as educationally purposeful as your in class experience. We do this by supporting your intellectual, professional, and personal development. We provide an array of co-curricular and experiential programs and services through our various departments. For commuter students, your involvement in campus life will determine the quality of your experience. It is our hope that all students will become engaged and be contributing member of this community.

Our doors are open and we look forward to working with each of you. My colleagues and I wish you an exciting, productive and successful year!

Gladys Jones
Interim Vice President for Student Affairs/Dean of Students

OUR MISSION

The Division of Student Affairs is a student-centered unit that supports the College's mission by engaging and empowering students in a holistic learning environment through diverse programs and services designed to foster personal growth and development in preparation for leadership and service in a global society.
